ROAR STORE DEBIT ACCOUNT
2007-2008

We have an optional debit account at the Roar Store. If you would like your student(s) to be able to purchase items such as school supplies, uniform clothing, spirit wear, cards etc. at the Roar Store without bringing money, a blank check or credit card, you can open a debit account at the Roar Store.

- Once you deposit money into this account, your student's purchases will be debited from the available funds in his/her Roar Store account.
- Students cannot make withdrawals of any funds deposited in this account for cash purposes. Refunds may be made when the account is closed.
- It will be the responsibility of the student and his/her family to replenish this account as they feel is necessary.
- In order to access the account, students must present their St. Pius X student ID card. *Freshmen can begin after they receive their ID cards.*
- These funds are ONLY available for use in the Roar Store.
- Debit Account deposits received by July 23, 2007 guarantees account activation by the first day of school.
- **The Roar Store debit account DOES NOT include the August orientation book sale.**
- Enrollment will not be accepted during Orientation Week (August 13-17, 2007).
