

13th ANNUAL ST. PIUS X BASKETBALL *ELITE* CAMP

About the *ELITE* Camp:

This camp was uniquely designed by Coach Aaron Parr in 2012 for the older, more skilled players who want to play high school basketball at St. Pius X. Coach Cloyd and his staff wanted to create a camp that would allow more individual instruction and help acclimate the more serious player to advanced basketball teaching. This camp will feature skill development sessions, in-depth film analysis, agility and quickness sessions, and a simulated high school practice. Our goal is to prepare these young men to hopefully play at the high school level, as well as helping them get ahead by practicing advanced offensive and defensive concepts. The camp will be run directly by Coach Parr and the assistant varsity coaches.

Who can attend: Rising 7th, 8th, and 9th graders who love the game of basketball, are serious about getting better, and want to attend St. Pius X. Our goal is to keep camp small in numbers so that each player will get individualized skill instruction from varsity basketball coaches. For our rising 9th graders, this camp will give you a leg up heading into high school.

Camp Date: The *ELITE* camp will run on MONDAY, TUESDAY, and WEDNESDAY June 3, 4, 5. The time will be 4-7pm each day. Each player will receive an Elite Camp T-Shirt

Camp Cost: \$155. There is a new online registration this summer that makes it easy! Please visit <https://www.spx.org/athletics/summer-camps> to pay online and secure your spot.
